Subject: Microsoft Settlement

Dear Dr. Ashcroft:

Although I don't really know the detailed particulars of this case, I do know that it is questionable that David Boies was the attorney for Al Gore and for this Settlement case. There is a common suspicion among us conspiracy theorists....

To me I understood that Clinton-Gore were somehow part owners of CBS, CNN, ViaCom and Time-Warner. If that is true, it seems like the much-publicized merge of AOL & Time-Warner might mean that the hidden agenda is to bring Microsoft down so that AOL&Time-Warner would be the Internet's major contender!!!! This would then be GREED as the motive for this lawsuit.

I am hoping and praying that the truth here is revealed, and that true justice is served.

I am so proud of you and all the work you have done, and this is just one more positive in this new administration. Thank you!

Sincerely
Patty Anthony
